## Consideration of Mangala Dosha

1. According to Agastya Samhita –

धने व्यये च पाताले जामित्रे चाष्टमे कुजे।  
भार्या भर्तु विनाशाय भर्तुश्च स्त्री विनाशनम्।।

2. According to Maanasagari –

धने व्यये च पाताले जामित्रे चाष्टमे कुजे।  
कन्या भर्तुविनाशाय भर्तुः कन्या विनश्यति।।

3. According to Brihat Jyotishasara –

लग्ने व्यये चतुर्थे च सप्तमे वा अष्टमे कुजः।  
भर्तारं नाशयेद् भार्या भर्ताभार्या विनाशयेत्।।

4. According to Bhava Deepika –

लग्ने व्यये च पाताले जामित्रे चाष्टमे कुजे।  
स्त्रीणां भर्तु विनाशः स्यात् पुंसां भार्या विनश्यति।।

5. According to Brihat Parashara Hora –

लग्ने व्यये सुखे वापि सप्तमे वा अष्टमे कुजे।  
शुभ दृग् योग हीने च पतिं हन्ति न संशयम्।।

*Mangala Dosha or Kuja Dosha occurs when Mars is placed in the first, second, fourth, seventh, eighth or twelfth house from the Birth Lagna.*

According to some ancient rishis, Mangala dosha also occurs when Mars is placed in the first, second, fourth, seventh, eighth or twelfth house from the Moon, Venus and the seventh lord.

According to classics –

लग्नेन्दु शुक्राद् दुःस्थाने यद्यस्ति क्षिति संभवः।  
तद्दशापाक समये दोषमाहुर्मनीषिणः।।

*When Mars is placed in a malefic house from the Lagna, the Moon or Venus then the dasha of Mars may give inauspicious results according to sages.*

In general practice Mangala Dosha is considered from the Lagna and the Moon.

**RMG1 :** In the birth chart of RMG1 Mars is placed in the eleventh house from the lagna while in the Moon chart Mars is placed in sixth house from the Moon. Hence RMG1 is not a Mangalik from the Birth Chart as well as from the Moon Chart.

**RMG 2 :** In the birth chart of RMG 2 Mars is placed in the twelfth house from the lagna while in the Moon chart Mars is placed in eleventh house from the Moon. Hence RMG 2 is Mangalik from the Birth Chart but not from the Moon Chart.

## Results of Mangala Dosha

Mangala Dosha effects the married life of a person in many ways – it creates delays, cheating, hurdles and obstacles in getting married. After marriage physical, mental or financial hardship for one of the partners or both the partners. It causes mutual disputes, allegations and counter allegations and may even lead to disintegration of marriage. If Dosha is pronounced, one of the partners may remain ill or there may be untimely death of either one or both the partners.

In spite of this one should not be scared of Mangala Dosha. Efforts should be made for a person having Mangala dosha to marry another person with Mangala dosha because when the dosha is similar, it gets nullified and the couple leads a happy married life.

**दम्पत्योर्जन्मकाले व्ययधनहिबुके सप्तमे लग्नरन्ध्रे । लग्नाच्चन्द्राच्च शुक्रादपि भवति यदा भूमिपुत्रो द्वयोर्वे ॥  
तत्साम्यात्पुत्रमित्रप्रचुरधनपतां दंपती दीर्घ-काला । जीवेतामेकहा न भवति मशितरिति प्राहुरत्रात्रिमुख्याः ॥**

*In the horoscope of both the bride and the groom, if Mars is placed in the second, fourth, seventh, eighth or twelfth house from the Lagna, the Moon or Venus, then due to equality, Mangala dosha is nullified. One attains mutual happiness, wealth, children, health and friends.*

**कुज दोष वती देया कुजदोषवते किल । नास्ति दोषो न चानिष्टं दम्पत्यो सुखवर्धनम् ॥ इ**

*If a girl having Mangala dosha is married to a boy with Mangala dosha, the dosha is cancelled and there will be mutual happiness.*

## Remedies to Repel Mangala Dosha

To ward off the effects of Mangala Dosha following are recommended –

- One should fast on Tuesdays (sunrise to next day sunrise). During the day consume liquid drinks without salt like tea, coffee, milk, fruit juice and curd. In the evening, draw a triangle with red kumkum (roli) on a plate and worship with Panchopachara [red sandalwood, red flowers, incense (dhoop), lighted lamp and food consecrated to a deity]. Thereafter, only before sunset, one may consume wheat bread, ghee and jaggery (unrefined cane sugar).
- If the Mangalik Dosha is pronounced then the Mangala Chandika Strotra should be recited daily for 21 times for 108 consecutive days. In the morning hours one should sit facing the eastern direction, light a five stroked lamp and worship one's deity (Ishta) and the planet Mars (Mangala) with Panchopachara and then recite the following –

**रक्ष रक्ष जगन्मातर्देवि मंगलचंडिके । हारिके विपदां राशे हर्षमंगलकारिके ॥  
हर्षमंगलदक्षे च हर्षमंगलदायिके । शुभे मंगलदक्षे च शुभे मंगलचंडिके ॥  
मंगले मंगलार्हे च सर्वमंगलमंगले । सदा मंगलदे देवि सर्वेषां मंगलालये ॥**

## Cancellation of Mangala Dosha between RMG1 and RMG 2

As per astrological classics, Mangala Dosha cannot be cancelled entirely, only its intensity can be reduced. Under special circumstances, Mangala Dosha is automatically nullified or reduced to a minimum.

In the charts of **RMG1** and **RMG 2** Mangala Dosha gets cancelled because of following reasons

**दोषकारी कुजो यस्य बलीचे दुक्त दोष कृत्।  
दुर्बलः शुभ दृष्टोवा सूर्येणस्मऽगतोपिवा।।**

*Mars is considered to be malefic when it is strong in an inauspicious position. If Mars is weak; is aspected by a benefic planet or is combust with Sun, Mars is not considered to form Mangala dosha.*

- It can be considered that in the birth chart of RMG 2, Mangala Dosha is cancelled.

**वाचस्पतो नवम पंचम केन्द्र संस्थे जाताऽगंना भवति पूर्ण विभूति युक्ता।  
साध्वी सुपुत्र जननी सुखिनी गुणाङ्ग्या सप्ताष्टक यदि भवेद् शुग्रहोऽपि।।**

*If Mars is placed in one of the Mangala dosha forming houses in the horoscope of the girl and auspicious Jupiter is in a kendra or trikona (first, fourth, fifth, seventh, ninth or tenth house) then Mangala dosha gets cancelled. The girl is virtuous, will give birth to sons, happy in every manner; talented, wealthy and fortunate.*

- In the horoscope of RMG 2 Mangala Dosha is formed due to the placement of Mars in the twelfth house. Since Jupiter is placed in the first house of her horoscope, the inauspicious effects of Mangala Dosha gets cancelled.

**स्वक्षेत्रे उच्च राशि स्थिते उच्चांशे स्वांशगेऽपि वा।  
अंगारको न दोषस्यात् कर्क्या सिंहे न दोषभाक्।।**

*If Mars is exalted or in its own sign in the Birth Chart or Navamsha, or in the sign Cancer or Leo, then Mangala dosha is not harmful.*

- In the Navamsa chart of RMG 2 Mars is in its own sign. Therefore Mangala Dosha is not harmful.

**व्यये कुज दोषस्यात् कन्या मिथुनयोर्विना।  
द्वादशे भौम दोषस्तु वृष धौलिकयोर्विना।।**

*In the twelfth house, if Mars is in the sign of Mercury or Venus then Mangala dosha does not occur. In other words Mars in the twelfth house for people born in Gemini, Cancer, Libra and Scorpio ascendant are free from Mangala dosha.*

- In the birth chart of RMG 2, Mars is in the twelfth house in Taurus. Therefore Mangala Dosha gets cancelled.

## Dash-Koota Compatibility between RMG1 and RMG 2

There are ten considerations necessary to judge the suitability of a proposed marriage. Out of these ten considerations at least five must be favorable for the couple to be compatible.

### **1. Dhinam (luck)**

The Janma-Nakshathra of the bridegroom and the bride are the same.

### **2. Ganam (wealth)**

The Ganam of the bridegroom and of the bride is the same; it signifies suitability, it is excellent. The compatibility in Ganam brings wealth.

### **3. Mahendhram (attachment/well being)**

The Janma-Nakshathra of the bridegroom is in an auspicious placement from that of the bride. This promotes well-being and prolongs life. It also develops attachment in the relationship.

### **4. Sthree-Dheergam (general welfare)**

The asterism of the bridegroom is not beyond the 13th asterism from that of the bride, causing incompatibility in this regard. There will be less of welfare in the marriage.

### **5. Yoni (sexual)**

The yonis are different but not hostile, compatibility is medium.

### **6. Rasi (growth of family)**

The moon sign of the bridegroom is in the 5th from that of the bride which is not auspicious and brings widowhood.

### **7. Rasyadhipati (food)**

The lords of the Moon signs are friends. This brings prosperity in corn.

### **8. Vasyam (posterity)**

The Moon sign of the bridegroom is concordant to that of the bride, (or vice versa); this will bring harmony between the couple. It also favours development of posterity.

### **9. Rajju (felicity in marriage)**

Both Rajju's are Ooroo Rajju; this causes loss of property, and less of felicity in married life.

### **10. Vedhai (sons)**

The asterisms of the couple are not repellent. There is compatibility in this regard; it gives many children.

## Other Considerations

### **1. Male/Female**

The asterisms of male and female are respectively male and male, which is not good or bad.

### **2. Gothram**

The Gothras of the man and the woman are different, which enhances the compatibility.

**3. Caste**

The castes of the rashis cause compatibility.

**Total Points : 22.0**

## Final Compatibility Guidance

Factor	Reading From The PDF	Client Meaning
Overall verdict	Cautionary medium match	The score level is medium, but both Nadi and Bhakoot Maha Dosha are recorded. This should not be treated as a clean approval.
Ashtakoota	18/36	Medium threshold if near 18/36; not a complete approval when major doshas are present.
Dashakoota	22/44	A middle-range Dashakoota score supports caution rather than rejection by score alone.
Nadi	Maha Dosha present	Important health, progeny and constitutional caution if present.
Bhakoot	Maha Dosha present	Important emotional, family-growth and long-term adjustment caution if present.
Mangala	Cancelled/reduced by report factors	Mangala is not the main rejection factor when the report itself gives cancellation/reduction.

### Integrated Judgment

Cautionary medium match. The score level is medium, but both Nadi and Bhakoot Maha Dosha are recorded. This should not be treated as a clean approval. The correct use of this report is therefore balanced: the match should not be approved only because the score reaches a minimum threshold, and it should not be rejected only because one table has a caution, unless the major dosha pattern remains unresolved.

### Helpful Factors From The Existing Report

- Gana/Ganam support is strong: the report says both belong to the same gana and treats this as excellent.
- Grahamaitri/Rasyadhipati support exists: the report says the Moon-sign lords are friends.
- Vedhai support exists: the report says the nakshatras are not mutually repellent.
- Yoni is mixed but not hostile, so physical/instinctive compatibility is not treated as a rejection factor.
- The Ashtakoota result is explicitly described as medium, not rejected.

### Caution Factors From The Existing Report

- Bhakoot Maha Dosha is present, so emotional, family-growth and long-term harmony factors need caution.
- Nadi Maha Dosha is present, so health, progeny and constitutional compatibility should be handled carefully.
- Sthree-Dheergam is marked as incompatible in the Dashakoota explanation.
- The Rasi/Dashakoota explanation gives a serious traditional caution for the Moon-sign relationship.
- Rajju is a caution factor: the report says both have the same Ooroo/Kati Rajju.

## Practical Marriage Guidelines

### How To Use The Match Score

The score pattern should be read as a guide, not as the whole decision. In this report the available Ashtakoota score is 18/36 and the Kalaprakashika/Dashakoota score is 22/44. These figures are useful, but the major dosha notes must be judged along with family background, health history, emotional maturity, and willingness to adjust.

### How To Read Classical Cautions

Classical adverse phrases in the source report should be read as traditional risk indicators, not as literal certainties. They call for sober review, practical family due diligence, suitable remedies where advised, and careful timing selection.

### Mangala Dosha Handling

- Hence RMG1 is not a Mangalik from the Birth Chart as well as from the Moon Chart.
- Hence RMG 2 is Mangalik from the Birth Chart but not from the Moon Chart.
- The source report states that Mangala Dosha gets cancelled or reduced by the listed cancellation factors.
- For Mangala Dosha, the report states that Jupiter in the first house reduces/cancels the inauspicious effect.
- The report states that Mars is in its own sign in Navamsha, so Mangala Dosha is not harmful on that count.
- The report states that Mars in the twelfth house in Taurus cancels/reduces Mangala Dosha.

### Prime Importance Of Muhurat

**From a practical traditional standpoint, the marriage muhurat should be treated as a prime factor. In earlier epic and classical narrative traditions, the fully developed point-based horoscope matching system is not seen in the same clear form and appears to be a later formalized method. What is consistently emphasized in traditional practice, including examples remembered from the Ramayana and Mahabharata tradition, is the care taken to perform marriage at an auspicious muhurat.**

**Therefore, whether the match score is low, medium, or good, the final marriage should not be fixed casually. A proper muhurat, avoiding sensitive dosha-triggering periods and choosing a stable auspicious time, remains of prime importance for protecting the marriage outcome.**

### Client Action Points

- Do not treat a medium score as automatic approval; discuss the major caution factors openly before finalizing.
- If proceeding, perform the appropriate dosha remedies advised by the family astrologer before marriage.
- Give special attention to health, progeny expectations, family adjustment, emotional compatibility, and conflict-handling style.
- Fix the wedding only after choosing a strong marriage muhurat.
